

Model TAL-750HD Label Dispenser

TAKE-A-LABEL....

Providing Economical
Solutions in
Label Dispensing Systems

The TAKE-A-LABEL Model TAL-750HD Using the 'standard' all steel and aluminum construction of the complete line, the Model TAL-750HD provides the power and performance necessary for the most demanding applications.

The open peel plate design allows the user to run multiple labels on a common web to increase speed, while reducing label cost.
